

Read-a-Thon

**CALLING ALL
SUPER READERS**

Let's work together to show how many minutes our school can read during Read-a-Thon!

Keep track of the minutes you read at home from Feb. 28-March 11. If we all combine our reading and the school reaches 25,000 MINUTES, EACH CLASS WILL GET A POPCORN PARTY! Everyone can read and help us get to our goal and earn a prize!

For parents: This is a fundraiser hosted by the Milwaukie El Puente PTO to raise money for teacher, library and school support. We want to focus on excitement about reading for the students but ask that you encourage family and friends to support your student through a donation. The school celebration is based on meeting the group goal and individual prizes are earned based on final minutes read by each student.

Use the envelope to keep track of both minutes and donations and return to school by March 16.

5 minutes at day (70 total)	Pencil and squishy toy
15 minutes a day (210 total)	Mini notebook with school logo
